Retire Date: 12/98

A kitten's Christmas wish list would surely include these beautiful made toys: A handcarved, hand painted wooden fish rocker with hardwood runners, a teddy bear, a mouse-in-the-box & a delightful wooden bird pull toy. Santa stands a stately 22" tall with twinkly blue eyes, a red velvet suit trimmed in faux lambs wool barely hides his 'bowl full of jelly'. He smiles as he unpacks his suede bag filled with presents & balls of yarn for good little 'Kittz'.

*"Dear Pat & Peter, you will never know how much my husband and I already treasure Santa Klaws. He is a magnificent work of art! And the exquisitely done handmade toys! Thank the good Lord for your wonderful talent and making so many people happy."*
